SUNY SULLIVAN

*Grow Further*

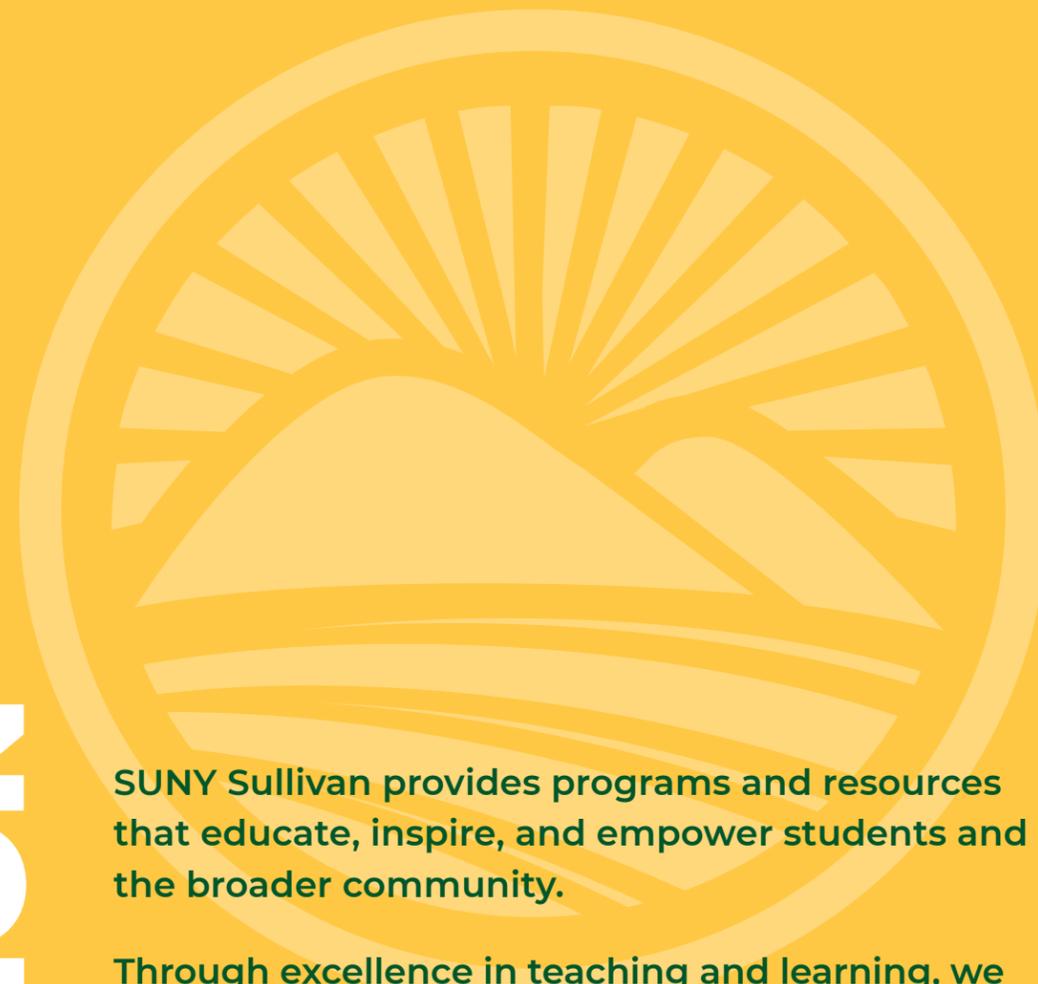

Embraced by mountains, forest, and rushing waters, we're naturally about inspiration and exploration, yet grounded in our roots.

There are lessons to be learned from the history of this land and an exciting new chapter is still being written ...

# MISSION

SUNY Sullivan provides programs and resources that educate, inspire, and empower students and the broader community.

Through excellence in teaching and learning, we prepare students for a diverse and interconnected world, and we support positive economic and social change within Sullivan County and beyond.

We model sustainable actions and promote socially, environmentally, and economically responsible citizenship through an overarching culture of excellence.

**“THIS IS A  
NEW ERA  
FOR US.”**

*Jay Quaintance,  
SUNY Sullivan  
President*

**Careers are changing and it is our goal to ensure that our students are ready.**

What best prepares a student for success in today's economy?

SUNY Sullivan emphasizes 4 key focus points: local, global, immersive, and sustainable.

We are one of the top tier community colleges in New York with over 40 degree programs and certifications to choose from. We offer part-time, after hours, and online classes that fit in with real life. And we can help you transfer to a 4-year college.

To ensure that our students are supported in their educational goals, we offer value and flexibility. Generous financial aid packages and scholarships are available.

It's exciting to see how far our graduates will go!

# LOCAL

Whether you are from an urban or rural hometown, SUNY Sullivan offers a sense of adventure and a sense of belonging.

Our 405-acre campus in Sullivan County is embraced by scenic Catskill Mountains, forests, lakes, and trails, yet we are just 100 miles north of New York City and minutes from Bethel Woods Center for the Arts that hosts chart-topping artists. So dance, hike, snowboard and paddle – this is your time to explore!

**100**  
miles north  
of NYC!

# GLOBAL

Our 40 + areas of study can take you anywhere and everywhere.

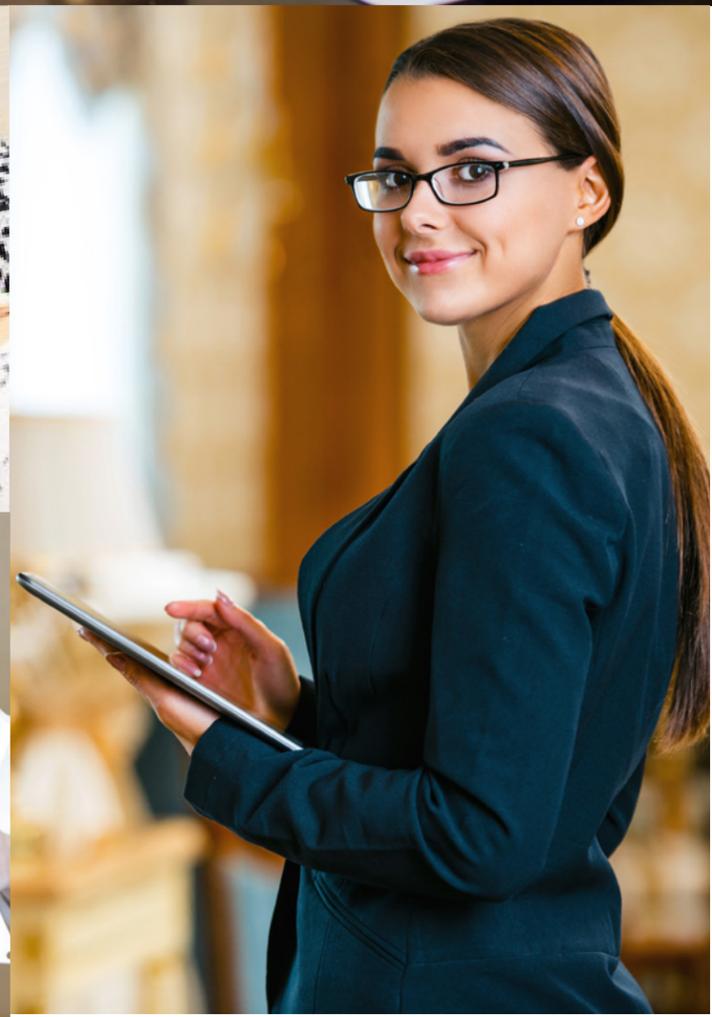

Our Hospitality Institute is one of the first in the US. Our Sustainability program is leading-edge. Our nursing graduates are prepared for real-world experience. SUNY Sullivan programs are designed to kick-start an exciting new career, continue an education at a four-year university or enhance mid-career professional development.

# SUSTAINABLE

Sustainability is at the heart of what we do at SUNY Sullivan.

Our Green Degree works hard for you *and* our planet.

Gain the skills to professionally manage buildings that incorporate sustainable green building principles and clean energy technologies. SUNY Sullivan sustainability is a hands-on experience. Students work directly with our campus solar field, wind turbine, and HVAC system.

## Fastest growing green careers:

- sustainability consultant
- green builders
- green design professionals
- wind energy workers

SUNY Sullivan's 405-acre campus is a living sustainability lab with an organic farm, solar field, wind turbine, and an apiary (beehives for honey production).

Our commitment to environmental and social responsibility informs everything from our campus operations to our curriculum.

## 3,000+

pounds of food scraps are collected and composted by our students each year using an on-campus forced air compost area.

# IMMERSIVE

One of the most important advantages of a SUNY Sullivan education is our real-world, hands-on, experience by doing approach to learning.

Become a graphic designer by creating designs and marketing strategies for local businesses. Become a chef by cooking in our kitchens and serving in our cafes and dining facilities. Become a nurse by training in our local hospitals.

“By partnering with the Sullivan County Partnership for Economic Development, Sullivan Renaissance, and Sullivan 180, our goal is to offer opportunities for our students and to make the county a more attractive place to live in every way.”

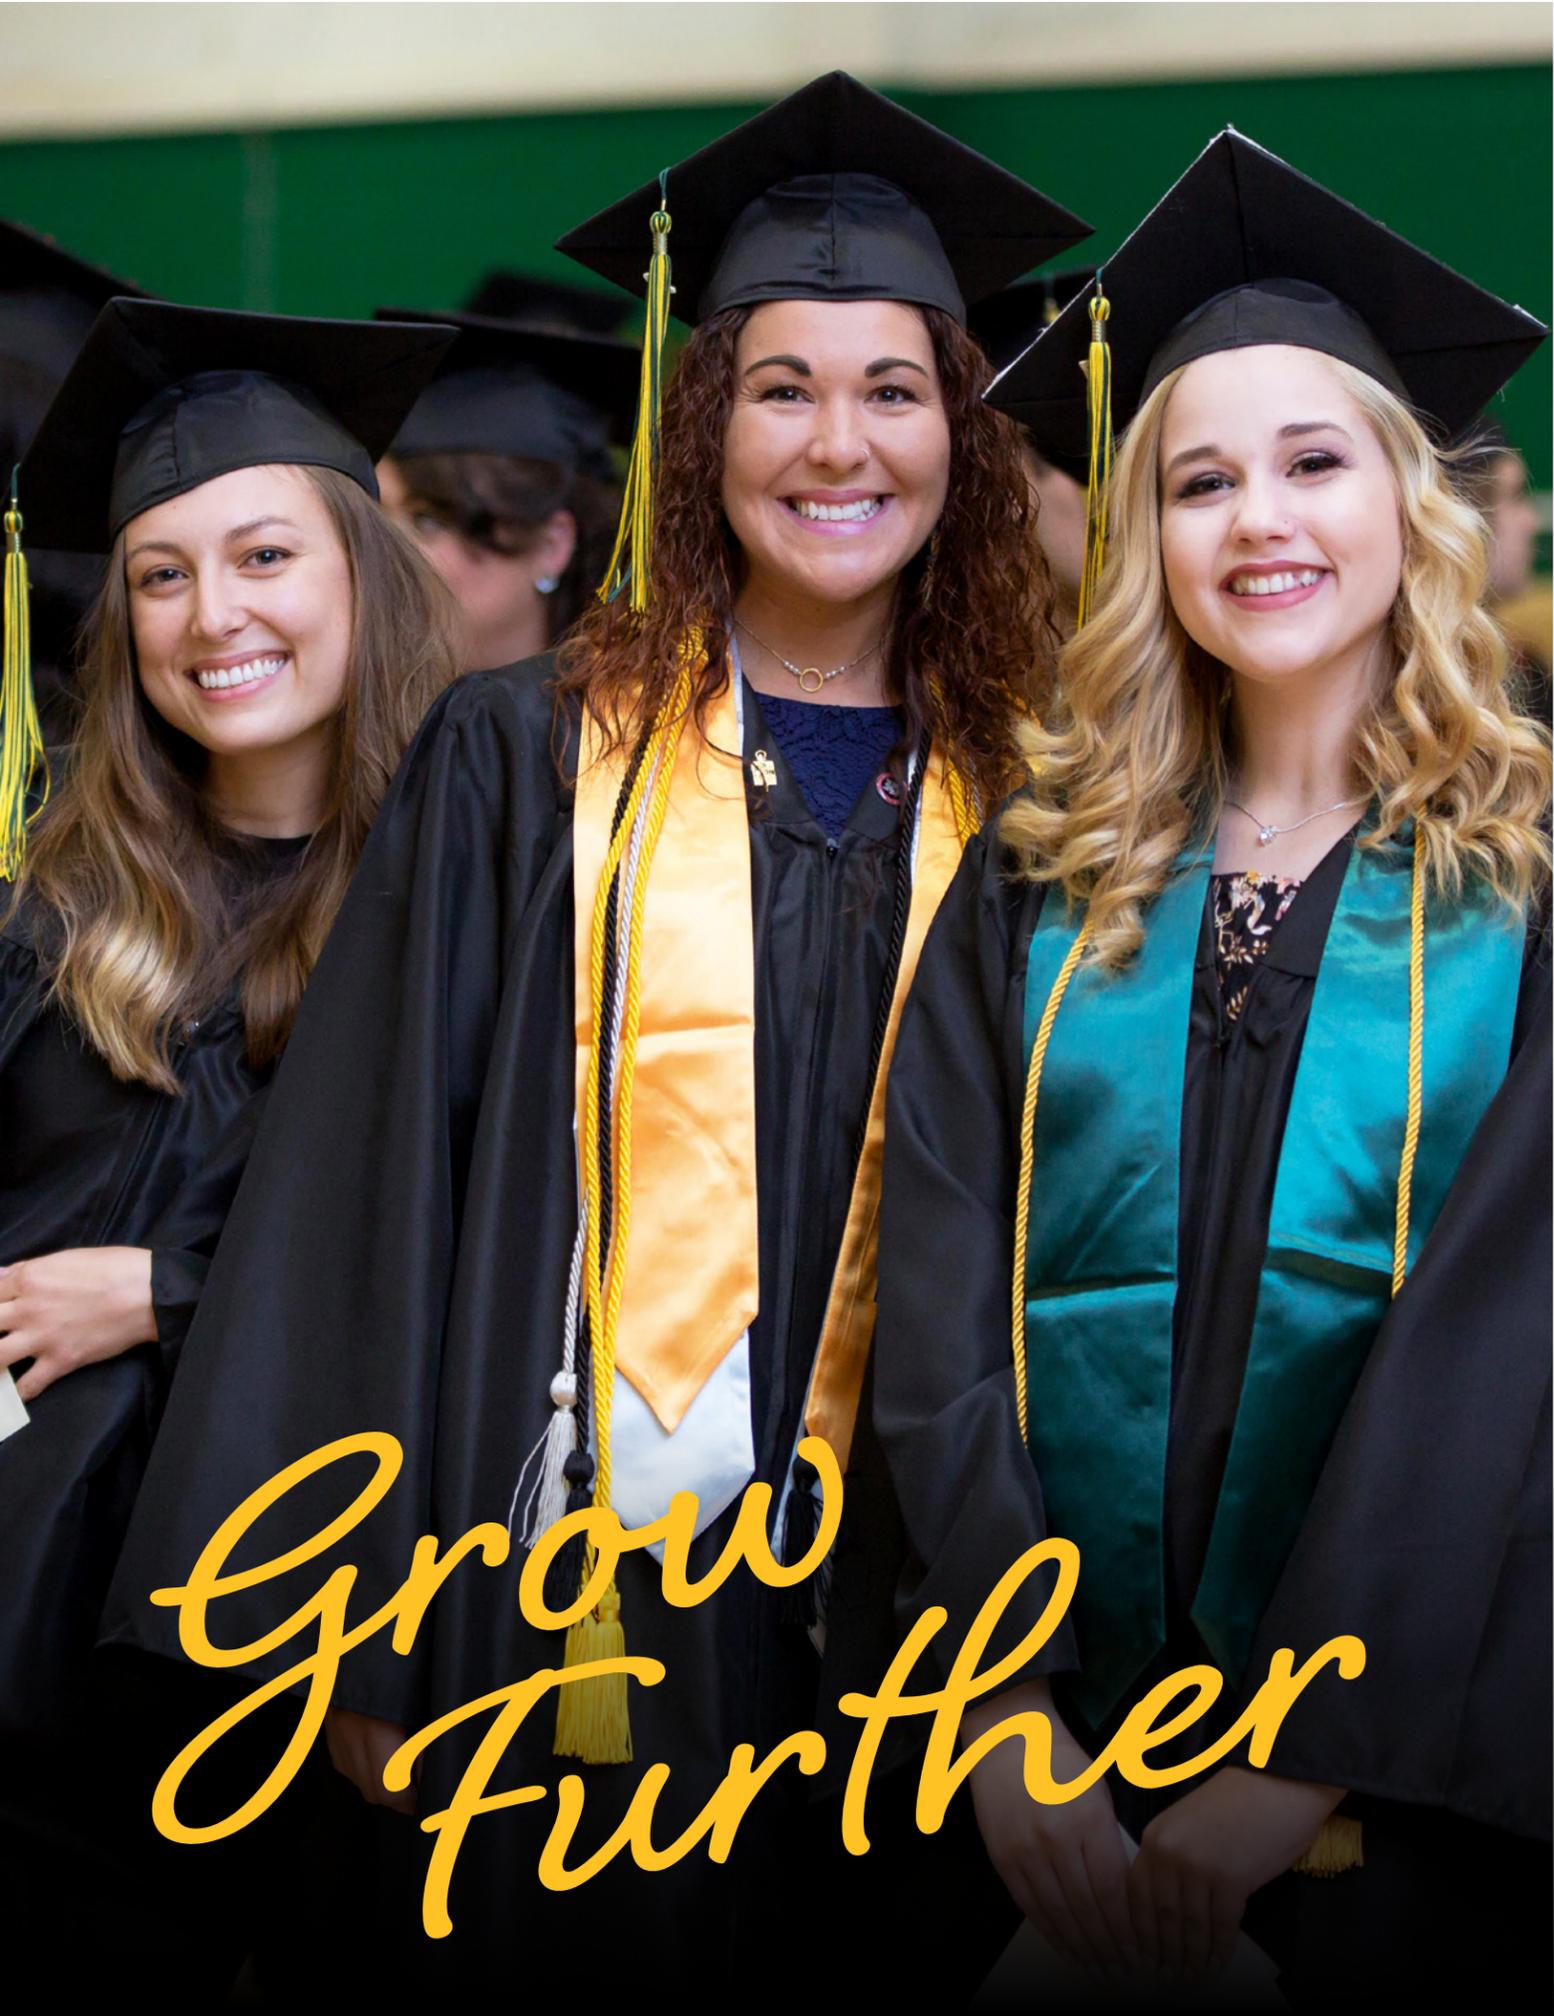

– Jay Quaintance,  
SUNY Sullivan President

During an average school year, our baking classes utilize:

**3,000** lbs. of flour

*Degree programs and certificates can be completed fully online or through a blended combination of methods. Visit [sunysullivan.edu/online](https://sunysullivan.edu/online)*

### High School Students

Ready and eager for the intellectual challenges of a college education? Students who participate in our College in High School program take courses offered at their high school, and receive college credits that may be used toward a college degree. High school seniors are also eligible to enter our Bridges Program, in which they take college classes along with other SUNY Sullivan college students, on our campus or virtually.

### Online/Hybrid

Invest in your future earning potential and gain a competitive edge in today's workforce. Earn a high quality, accredited education graduating with an Associate of Science (AS) or Associate of Applied Science (AAS) degree, or get certified to work in a new career. Part-time and full-time opportunities, flex study, and evening classes allow you to earn a degree on your terms – complete your program within a timeline and schedule that fits in with your busy life.

### Freshmen

SUNY Sullivan welcomes applications from high school students as well as older adults, for certificate or two-year degree programs. Access your education as a commuter student, or if you prefer, live in one of our residence halls. Students are exposed to an academic environment that promotes an open exchange of ideas and the ability to think critically. College advising, tutoring, and personal counseling is available.

### Continuing Education & Professional Development

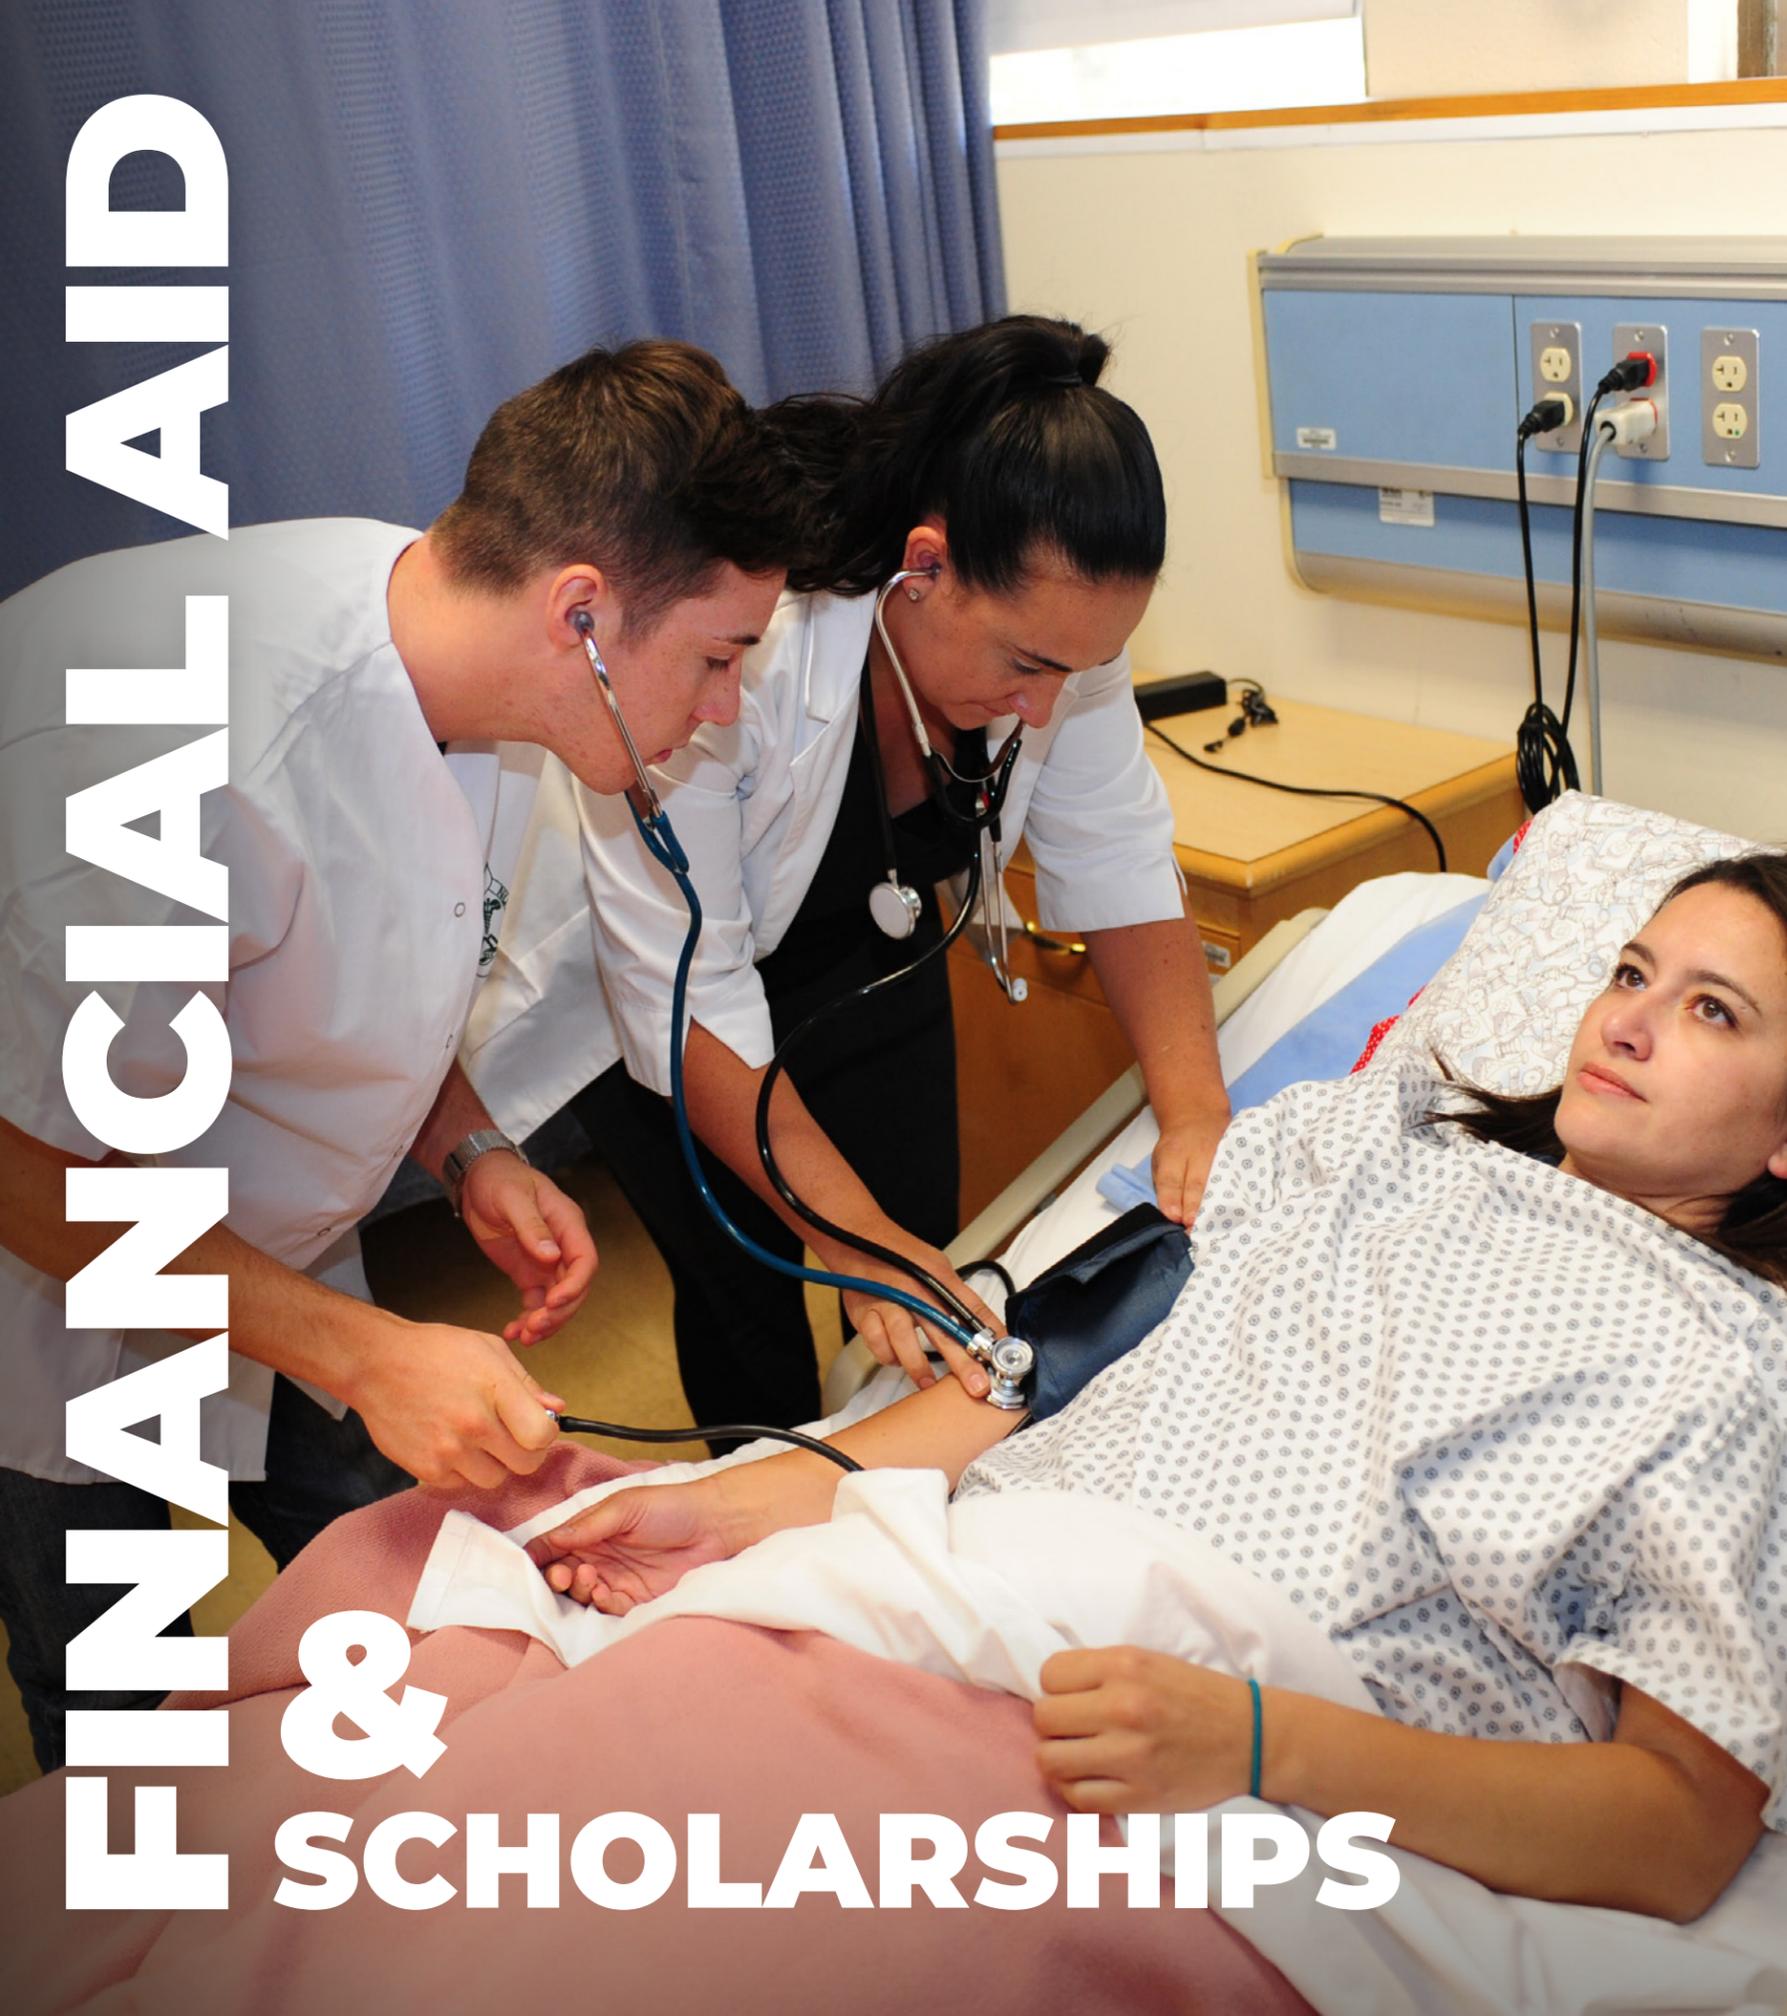

SUNY Sullivan is committed to offering individuals and businesses learning opportunities that enhance career prospects and contribute to business success. Develop and enhance your skills to thrive in today's challenging labor market. We can help you meet requirements for licensure or certification and stay current with technology or other changes impacting an occupation, profession or workplace. The variety of training formats ensures that you will be able to find a program to fit your needs, whether you are looking for short-term skill upgrades, certification, and/or technical degrees. Find the training you need to move forward with your career.

# LEARNING

A typical SUNY Sullivan student? There is no such thing. Our learning community is as diverse as our academic offerings. And it's growing!

# FINANCIAL AID & SCHOLARSHIPS

**SUNY Sullivan is committed to making your college experience affordable!**

Throughout the year, SUNY Sullivan hosts financial aid workshops to assist students and families in completing the Free Application for Federal Student Aid (FAFSA) and learning about the types of aid available as well as the financial aid award process. The workshops are free and open to students who plan to attend SUNY Sullivan or any other SUNY institution. We can walk you through the process, step by step, to help you optimize your full financial aid package.

**In the 2018-19 school year SUNY Sullivan students received:**

**\$4,316,619** in grants  
**\$237,398** in scholarships

## **Presidential Scholars Program**

First introduced in 2012, SUNY Sullivan's Presidential Scholars program makes a college education more accessible and more affordable for high-achieving students graduating from Sullivan County high schools.

Students with a minimum overall grade average of 90 are eligible to receive the scholarship.

**The Presidential Scholars program funds up to full tuition and fees for two years at SUNY Sullivan.**

**Our admissions counselors can help you explore what scholarship or financial aid you may be qualified for!**

# SUPPORT

There are so many people here who want to see you succeed.

Every semester we help hundreds of students just like you achieve their goals; from application forms and financial assistance to extra help in (your hardest subject here). We offer help in finding internships and even a job after graduation! From admissions and personal counseling, to the mentors and tutors in our Academic Support Center and Learning Commons, as well as our faculty and staff — we go above and beyond to help you succeed!

We believe in you and we've got your back!

**FREE**  
tutoring services  
are provided by  
the college  
and are available  
throughout  
the day.

# CAMPUS LIFE

**843**

Full-time  
students

**723**

Part-time  
students

## Live the full college experience!

Whether you are a commuter or living on campus, students enjoy a diverse campus community representing many socioeconomic backgrounds, ethnicities, sexual orientation and cultural identities. Our culture is one of tolerance, and mutual respect.

### Eat. Sleep. Learn. Play.

SUNY Sullivan is one of the few community colleges with dormitory-style residence halls and townhouses! Enjoy fresh-baked pastries and bread prepared by our student chefs. Fresh salad ingredients come from our organic garden.

### Life as a General

Come cheer on the SUNY Sullivan Generals or jump into student activities, clubs and organizations, intramural sports, and fitness & wellness classes. Play pool and video games and hang with friends at the Kaplan Student Union.

**400+**

**student capacity dormitory-style residence halls & eco-friendly LEEDS certified townhouses.**

# ARTS & CULTURE COMMUNITY

Creativity and artistic exploration abound on campus and within our community!

Grab a front row seat to our plays and performances at the Seelig Theatre. Join the performing arts club or attend campus events, gallery exhibits, holiday and family shows, lectures, music, dance, and more.

## The Metropolitan Opera

A season of international stage performance

Our students and community enjoy a full season of live HD streaming opera performances from The Met. Saturday afternoons at the Seelig Theatre is host to an all-star cast performing Madama Butterfly, Porgy and Bess, and Tosca to name a few.

# ATHLETICS
